

Milk Program

August 19, 2011

Milk is not included in the hot lunch program, but provided separately for any students (buying hot lunch or bringing sack lunch) who wish to participate.

Milk is pre-paid for the entire year and the fee is **\$50 per student**.

Students on the milk list receive **one 8-ounce carton** of Smith Brothers brand **1% white** milk or **fat-free chocolate** milk. If your child wants **additional** cartons each lunch, please multiply the \$50 fee accordingly.

Milk service begins Monday, September 12, 2011. To ensure your children receive milk on that first day, please send your payment to school by **3pm Friday, September 9.**

If you have any questions, please contact:

Valerie Hogan
OLF School Bookkeeper
352-4561
vhogan@olfatima.org.

Please make your check payable to **“OLF Milk Fund”** and **staple it to the completed payment form**. This payment must be **separate** from all other payments to the school.
