

Milk Program 2016-2017

Milk is not included in our hot lunch program but is provided separately for any students who wish to participate whether buying hot lunch or bringing sack lunch. Milk is pre-paid for the entire school year at a cost of \$50 per student. Students on the milk list receive one 8-ounce carton of Smith Brothers brand 1% white milk or fat-free chocolate milk. If your child would like additional cartons at each lunch, please multiply the \$50 fee accordingly.

Milk service begins Tuesday, September 6, 2016. To ensure your child(ren) receive milk on the first day, please mail or drop off your payment at school by **Monday, August 29.** **Forms received after that date will result in a delay in service for your child.**

If you have any questions, please contact:
Leslie Simons
OLF School Bookkeeper
206-283-7031, Ext 561
lsimons@olfatima.org

.....

Please make your check payable to "OLF Milk Fund" and staple it to the completed payment form. This payment must be separate from other payments to the school. Please note student names on your check.
